EDUCATION

Indira Gandhi National Open University

Delhi, India

Bachelor of Computer Application

July 2022 – Present

WORK EXPERIENCE

Hoshiyar Singh Suresh Chandra PVT.LTD

Chandani Chowk, Delhi

Data Entry

Sept 2021 - Nov 2022

- o Entered data into department database for records
- o Check source documents for accuracy and verify data when required
- Maintained a hard copy backup of all sensitive information

Highly accurate and detail-oriented data entry specialist with 1 year of experience. Proficient in entering, managing, and verifying data with a strong attention to detail. Skilled in utilizing Microsoft Excel and other database software to input and maintain data efficiently. Strong organizational skills and ability to meet deadlines consistently. Seeking an opportunity to leverage my data entry skills and contribute to the success of a dynamic organization.

C++ **Developer**CodSoft || Intern

Remote
July 2024 – Aug 2024

- Collaborated with a team of developers to design and implement new features.

o Developed a C++ application to process large datasets and generate statistical reports.

o Utilized Git for version control and GitHub for project management.

Web Developer

Remote

Aug 2024 – Sept 2024

BharatIntern | Intern

o Developed a responsive web application using HTML, CSS, and JavaScript.

- o Integrated with backend APIs to fetch and display data.
- o Collaborated with designers to create visually appealing user interfaces.

ACHIEVMENT

Google Cloud Skills Boost: GDGC

- Cloud Digital Leader Learning Path: Hands-on labs, courses, and skill badges that provided in-depth exposure to real-world applications of cloud computing.
- Arcade Certification Zone: Boosted my cloud skills through fun challenges like trivia and arcade games.

PROJECTS

Weather Application Github

- o Developed a real-time weather forecasting web application
- o Utilized HTML, CSS, and JavaScript to create a dynamic and user-friendly interface.
- o Implemented features such as current weather conditions, hourly forecasts, and daily outlooks.
- o Integrated with a weather API to fetch accurate data.
- O Deployed the application on GitHub for easy access and collaboration.

SKILLS

Programming Languages: C, C++, Java, JavaScript,

Technologies: HTML5, Git, MySQL, ReactJS, NodeJS, MongoDB

Coursework: Data Structures, Analysis and Design of Algorithms, DBMS, OOPs, Computer Networks,

Operating Systems
